

# Trust

Our experience shows that often only trust is stopping people from choosing their e-portfolio. What's stopping you choosing?

Ongoing support & training for Assessors, Verifiers and Candidates

We fully support you through your implementation of the e-portfolio

NVQnow supports Best Assessment Practice and is endorsed by City & Guilds

We listen to you and we constantly update and improve NVQnow based on your feedback

We like being open and honest and as a result our users feel that they can always trust us

We've been here for over twelve years and you can come to see us as the reliable choice

*"You're never on your own with NVQnow. It makes me feel reassured that the product I'm using is strongly supported by an attentive team."*

Jean Wilson, IV, DEFLOG VQ Trust

*"We chose NVQnow, after a diligent assessment of the market, because, above all, we trust the validity and reliability of NVQnow, and the Axia Team that makes it all happen."*

Dennis Quilter, MD, QVQ Ltd.

Above all, we care...

We know that it is never a simple decision when you decide to choose an e-portfolio. However, we have a wealth of experience helping people adjust to the change from paper portfolios and wherever we can help you; we will always endeavour to do so. After all, when you choose an e-portfolio, you want to know you're with the right people.

*Trust us to find a way of working with e-portfolios that's right for you.*
